**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a competitive provider for better service and price of our DSL and home phone line. I would like to have more choice in the marketplace! Broadband is critical for the community outreach I do, and for the streaming we now use in place of cable (we live in an urban area, but can't receive over-the-air channels well). Please continue to require access for competitive providers.

Thanks,

Ken McCroskey
